Traveler's Diaries

- 1) At first in the system, the LOGIN window is displayed. If the user is already Registered then enter the username and password to go in, otherwise go to Register Window.
- 2) The Register Window is displayed as follows:

The screenshot shows a web form titled "Traveler Registration" with the subtitle "Enter Details to Register". The form is set against a dark red background with a blue border. It contains five input fields: "Name:*", "Username:*", "Password:*", "Retype Password:*", and "Email:*". Below the fields are two buttons: "Register" and "Reset". At the bottom, there is a link that says "Already Have Account? Then [LOGIN](#)".

The Required data is filled to register as a new user.

- 3) After registration, LOGIN is done. The Login window is displayed as follows:

The screenshot shows a web form titled "Traveler Login" with the subtitle "Enter Login Details". The form is set against a dark red background with a blue border. It contains two input fields: "Username:" with the text "abin" and "Password:" with four black dots. Below the fields is a button labeled "LOGIN". At the bottom, there is a link that says "[Create New Account](#)".

- 4) After the successful LOGIN, the menu is displayed where different activities can be performed. For example, add post. For adding a post, the following interface is displayed.

The screenshot shows a web form titled "Add Post" with a red background and a blue border. The form is titled "Enter Traveler Log Details:". It contains several input fields: "Traveler (Posted By):*" with the value "abin", "Post Info:*" (empty), and "Location:" (empty). There is an "Image:" field with a "Browse..." button and the text "No file selected.". At the bottom, there are two buttons: "Add Log" and "Reset". A link "Go TO Menu" is also visible at the bottom left.
